Council on Foreign Relations (CFR): The Council on Foreign Relations (CFR) is an independent, nonpartisan membership organization, think tank, and publisher dedicated to being a resource to help government, academic, business, and others to better understand foreign policy choices facing the United States and other countries.

CFR Focus Areas:

- Maintain diverse membership and develop the next generation of foreign policy leaders.
- Convene meetings in New York and in Washington, DC, and conduct outreach to US cities.
- Support a Studies Program that fosters independent research; enable CFR scholars to produce articles, reports, and books; and hold roundtables on foreign policy issues for policy recommendations.
- Publish *Foreign Affairs*, the preeminent journal on international affairs and U.S. foreign policy.
- Sponsor Independent Task Forces on most important foreign policy challenges around the world.

CNO Senior Fellow Focus Areas/Projects/Initiatives:

- Connect DoD and U.S. Navy defense strategy to foreign policy think tank experts in order to improve understanding of the U.S. military within CFR
- Gain a better understanding of trade, investment and use of the economic instrument of national power in furthering the US national interest and US military strategy and policy.
- Study and understand emerging trends and threats to National Security.
- 2018 ONA Summer Study on the projected 2050 Maritime Environment.
